

2026 VENDOR EVENT INFORMATION

Who we are: Superheroes of Autism Niagara was founded in 2014 by Jenn Wodynski, single mother of an autistic child. While watching her son and his friends sing, play guitar and have other amazing talents, Jenn sought to create a day that celebrates their many talents and abilities, a day of inclusion that shows the world who they really are, that their disability doesn't define them. Jenn created the Talent Showcase as a way to shine the spotlight on the incredible pool of talented individuals we have in Niagara. To help advocate and create a day just for them free of judgement, bullying, staring eyes and whispers.

What is the event:
